A-List

The John C. Stalker Institute of Food and Nutrition
at Framingham State College

What is the A-List?

To assist school personnel in their efforts to improve the nutrition environment in their schools, the John C. Stalker Institute of Food and Nutrition (JSI) assessed many products and compared them to the Standards set by Action for Healthy Kids, Massachusetts.

Products that meet the Standards are included on the list of "A-acceptable" products, also known as the A-List.

Contact your SchoolPro Representative to request a complete list of A-List items that are now available at Costa.
